SOLFEGE (cont'd)

Variations:

Variation 5:

Variation K:

Variation A:

Variation N:

Variation P:

Variation M:

Other Ways to Practice:

1. Add accidentals periodically so as to cover all "key" possibilities.

2. Conduct at all times.

3. Variations L, M, N, O, and P should be conducted in $\frac{2}{4}$ and $\frac{4}{4}$.

Note:

1. Variations A through K should be exercised by following their directions from the triad structure.

2. The Eslava Método de Salfe by H. Eslava (Complete) is highly recommended for sight-reading material.

3. The "Fixed" Do system is strongly advised.
