Concentrated Exercises

VIBRATO

Normal curve flattening of the singer's 1st joint.

Rapid curving of the singer's 1st joint.

A. Use No. 1 from the 10 Ways to Practice.
B. Do the same on all strings.
C. Do the same on all positions particularly 3rd or 4th and 8th.

NOTE:

First: employ the singer and wrist action.

Second: employ the singer and arm action. (Resist the breaking of the wrist.)
